

Elements — ✨ — Qualities

THE ELEMENTS

AIR

The Air signs, Gemini, Libra and Aquarius are concerned with logic, rational thought, reason and intellect, the conscious mind and can be detached, cool and calculated.

GEMINI loves chatting, socialising, debating, writing, blogging, and learning.

LIBRA loves debating, philosophising, negotiating, relating, discussing relationships.

AQUARIUS loves discussing humanitarian ideals, social concepts, unique and futuristic points of view.

FIRE

The Fire signs, Aries, Leo and Sagittarius bring passion, optimism, enthusiasm, assertion, courage and daring.

ARIES enjoys initiating, motivating, asserting, inspiring, daring, exercising and doing.

LEO enjoys creating, leading, giving, being courageous, dramatising.

SAGITTARIUS enjoys exploring, travelling, riding, experiencing, being optimistic, and discovering.

EARTH

The Earth signs, Taurus, Virgo and Capricorn are concerned with steadiness, stability, the material world, the five senses and are reliable and materialistic.

TAURUS loves material possessions, sensual pleasures, finance, security, and stability.

VIRGO loves refining, organising, perfecting, serving and systemising.

CAPRICORN loves structuring, building, developing and laying foundations.

WATER

The Water signs, Cancer, Scorpio and Pisces are concerned with feeling, emotions, intuition, instinct, the unconscious mind, creativity and empathy.

CANCER loves feeling, family time, protecting, nurturing, caring and mothering.

SCORPIO loves psychoanalysing, researching, transforming, feeling and controlling.

PISCES loves being empathetic, creative, imaginative, mystical, intuitive and sensitive.

THE MODES

CARDINAL

The Cardinal Signs: Aries, (Spring Equinox) Cancer (Summer Solstice) Libra (Autumn Equinox) Capricorn (Winter Solstice)

The time when the Sun moves into the Cardinal signs heralds the beginning of a new season and following the longest and shortest days in the Northern hemisphere. The Cardinal quality is initiating, dynamic, action-oriented and assertive, self-motivated and deals with beginning or initiating something.

ARIES needs to be the first, is competitive, assertive and action-oriented.

CANCER take action regarding their emotions and the need to nurture and protect their family and loved ones.

LIBRA is assertive towards relationships, diplomacy, negotiations and maintaining harmony with others.

CAPRICORN is assertive in career and ambitious in building a legacy and structure.

FIXED

The Fixed Signs: Taurus (Mid-Spring) Leo (Mid-Summer) Scorpio (Mid-Autumn) Aquarius (Mid-Winter)

The Fixed signs maintain the season, following through on what was started by the Cardinal energy. The Fixed energy can be stubborn, slow, persistent and stable.

TAURUS maintains the material world, finance, agriculture, gardening and anything connected to the five senses.

LEO persists courageously with self-expression, creativity and leadership.

SCORPIO persists with deep feelings, psychology, the unconscious and themes of power and control.

AQUARIUS persists in humanitarian and societal causes, idealism and logic.

MUTABLE

The Mutable Signs: Gemini (Late Spring) Virgo (Late Summer) Sagittarius (Late Autumn) Pisces (Late Winter)

The Mutable signs wind up the season, finishing and adapting on what was started by the Cardinal energy and maintained by the Fixed signs. The Mutable energy can be changeable, quick, restless and versatile.

GEMINI finishes and adapts ideas, concepts, learnings and connections.

VIRGO finishes and adapts data, systemisation, being useful and of service.

SAGITTARIUS finishes and adapts philosophies, beliefs, foreign and religious concepts.

PISCES finishes and adapts feelings, intuitions, inspiration and the mystical.
